

tropEd Membership Type and Fee Structure (Bylaw)

Date of adoption by the tropEd GA:

17 June 2021 (Online GA June 2021)

All present 9 full-member-institutions accepted the new structure; no votes against, no abstentions.

Date of invigoration:

01 January 2022

This document represents a bylaw on membership type and fee structure:

Types of membership:

1. Institutional Membership

- Institution that has been accepted for membership at tropEd by the General Assembly (in the past or at present or in future time).
- Full voting right (1 institution = 1 vote).
- Membership fee per calendar year (according to income level of the country of institution as per DAC list of the OECD, version as in vigour on 01 January of the calendar year for which the fee is charged):
 - Institution from a High-Income Country: € 1500.-
 - Institution from a Low- or Middle-Income Country: € 500.-

2. Individual Membership

- Membership of an individual person that has been accepted for membership at tropEd by the General Assembly.
- No voting right, no right to submit courses for accreditation.
- Membership fee per calendar year: € 50.-

Transition Period: The new fee structure will be enforced by 01 January 2022. There is no preservation of the status quo for institutions that are already members. All institutional members of the tropEd network will become Full Members with full voting rights.

The tropEd membership and fee structure is not set forth in the statutes. The membership and fee structure will be fixed through this document as a bylaw.
